Re: **Announcement of Planned Action**

Dear Mr. Asher:

Portland Adventist Medical Center dba Adventist Medical Center- Portland (“Adventist Health”) will be transferring all revenue cycle job functions and positions from Adventist Health, at its facilities located at Portland Adventist Medical Center on the attached Schedule A, to Cerner, Inc.; and, as a result of the transfer of work, it will lay off all of its revenue cycle workforce in this operational unit. Consistent with these plans, employment separations from Adventist Health are expected to begin on or about April 1, 2018. Approximately 157 employees are expected to be separated from employment with Adventist Health. We anticipate that these changes will be permanent.

Adventist Health has provided all affected employees sixty (60) days’ written notice of such closure. All revenue cycle positions will be eliminated and all employees performing those job functions will be impacted. Although this layoff is expected to be permanent, it is anticipated that Cerner, Inc., will offer positions to all affected employees in good standing. The expected date of the separation will be April 1, 2018.

Bumping rights are not available for affected employees. Affected employees are not represented by a labor organization.

This notice is being provided consistent with 20 CFR § 639.7(f). If you have any questions or require additional information, please contact, Brett Bissell, HR Director, at 503-251-6130.

Sincerely,

Misty Mansolilli
