RE: Announcement of Planned Action

Dear Mr. Asher:

We are writing to update you on the notice you received on June 10, 2020 regarding the upcoming layoff. In that notice, we informed you that the layoff would occur between September 7, 2020 and September 21, 2020. Due to customer demand unforeseen at time notice was given, we now write to inform you that the layoff will occur between October 26, 2020 and November 9, 2020.

Represented employees will have bumping rights and may be able to displace more-junior employees at the plant. The identities of the more-junior employees who may reasonably be expected to experience an employment loss as a result of bumping are unknown at this time. There will not be any bumping rights for the remaining affected employees. That is, non-represented employees will not be able to displace more junior employees out of their job positions as a result of this action.

If you have any questions or want additional information concerning this matter, please contact Jay Bretto, Process Manager, HR, at 541-926-4211.

Sincerely,

Steve Duea
