Dear Mr. Asher:

We are writing to update our July 8, 2020 letter to you regarding employment losses at our facility located at Portland International Airport (PDX), 7000 NE Airport Way Portland, OR 97218. Our letter reflected the best information available to us at the time it was provided. As a result of developments that were not finalized or were unknown at the time of our earlier notification – including the completion of our management and administrative planned reduction-in-force – we are now able to inform you that additional employees will experience employment losses as a result of the actions described in our earlier letter, including an additional approximately 3 affected employees.

As explained in our July 8 letter, employment separations are expected to begin on or about October 1, 2020 or during the 14-day period thereafter. We do anticipate that any reductions of our management and administrative employees will be permanent. The remainder of the information in our notice remains unchanged.

If you have any questions or if we can provide additional information, please contact Colleen Pape, Manager ESC Operations, at 847-700-4978 or colleen.pape@united.com.

Sincerely,

A handwritten signature in black ink that reads "Kate Gebo".
