Dear Mr. Shovlin:

Farmers Insurance recently provided notice that it is reducing its workforce at its facility located at 23175 Northwest Bennett Street, Hillsboro, OR 97124. The number of employees expected to be separated from employment was misstated on my letter to you dated October 20, 2016. Rather than approximately 91 employees, as stated in the October 20, 2016 letter, approximately 50 employees are expected to be separated from employment as a result of these plans.

All of the affected employees at 23175 Northwest Bennett Street, Hillsboro, OR 97124 received individual WARN letters during the week of October 24, 2016. As previously communicated to you, employment separations are expected to begin on or about December 30, 2016, or during the 14-day period beginning on that date. We anticipate that these changes will be permanent. However, the entire facility will not be closed. Bumping rights are not available for affected employees. Affected employees are not represented by a labor organization.

This corrected notice is being provided consistent with 20 CFR § 639.7(f). If you have any questions or require additional information, please contact me at 818-965-1418.

Sincerely yours,

A handwritten signature in cursive script that reads "S. Elliott".
