Re: ESCO Corporation Plant Closure/WARN Notice

To Whom It May Concern:

This letter is being issued in accordance with the Worker Adjustment and Retraining Notification Act. ESCO will be permanently closing its entire Portland Main Plant production facility located at 2141 NW 25th Avenue, Portland, Oregon, 97210. As a result, approximately 168 positions will be eliminated.

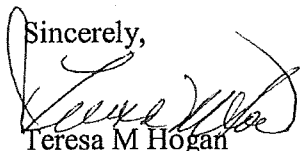

We will begin eliminating positions on January 2, 2017 and will continue in phases until complete closure on July 1, 2017. ESCO employees are not represented by a union, and interplant bumping rights do not exist.

Attached is a list of the job titles affected and the number of workers affected in each job title.

The company will ensure that the workers will be paid all earned wages and agreed upon benefits at the time of their termination.

If you need any further information, please contact Steve Duea, Vice President, ESCO Human Resources, at 503-778-6344.

Sincerely,

Teresa M Hogan
