RE: Notification of Plant Closure Pursuant to the Worker Adjustment and Retraining Notification Act of 1988 ("WARN")

Dear Mr. Asher:

Pursuant to the notification requirements of the Worker Adjustment and Retraining Notification Act of 1988 ("WARN") NORPAC Foods, Inc. hereby provides notice of a permanent plant closure at its Hermiston Foods plant, located at 2250 S. Highway 395, Hermiston, Oregon 97838. Closure-related separations are anticipated to begin November 13, 2017 or within fourteen (14) days thereafter.

- 1. The above-referenced facility is considered a single site of employment for WARN purposes. You may contact the undersigned directly for further information.
- 2. The plant closure is presently expected to be permanent.
- 3. A list of affected job classifications and the names of affected employees in each job classification is attached. NORPAC anticipates that some limited work decommissioning the Hermiston Foods processing plant will continue over the ensuing months. Please note that we will continue to operate our Hermiston Foods field shop providing harvesting services to growers in the area. The field shop is located at the same address as the processing plant.
- 4. The affected employees are non-represented and there are no "bumping rights" available to the non-represented employees who will be displaced as a result of the plant closure.

Please direct any comments or questions regarding this plant closure directly to me at 503-480-2103 or alave@norpac.com. Thank you.

Very truly yours, NORPAC Foods, Inc. Alan A.

Vice President, Human Resources
