WARN NO. 2535

WARN Notice

John Asher, Rapid Response Coordinator
Oregon Dislocated Worker Unit
Oregon HECC – Office of Workforce Investments
875 Union Street NE
Salem, OR 97311

John Asher:

We are closing our Warehouse and Production Facility at 3135 NW Industrial St, Portland, OR in January of 2020. This will be a permanent closure as production and shipping will be outsourced to contractors.

~~_____~~ The exact date or dates for layoffs is not known, as it is dependent on the achievement of outsourcing efforts.

There will be approx. 75 employees impacted:
13 employees will fit into management and professional categories.
62 employees will be production and warehouse workers.

Guidance is needed to submit this information to the appropriate elected official as required.

We welcome your assistance to help our employee's transition into their next career. They are great workers and closing this facility is a difficult decision.

Please use me as your contact within our company.

Sincerely,

Al Maurillo, HR Director
