RE: Notification of Brooks Plant Closure Pursuant to the Worker Adjustment and Retraining Notification Act of 1988 ("WARN")

As you are aware, the Company on August 22, 2019 filed for bankruptcy protection and entered into an Asset Purchase Agreement with Oregon Potato Company (OPC) whereby OPC was going to purchase all of NORPAC's facilities. As part of the bankruptcy process, NORPAC was able to secure an interim loan from its banks which provided for financing only through October 31, 2019.

On October 18, 2019 OPC withdrew its bid to purchase NORPAC's facilities. While NORPAC has continued to have discussions with companies about purchasing some or all of NORPAC's assets, as of today NORPAC does not yet have a buyer. Additionally, NORPAC has attempted to secure additional financing, but as of today has not been successful.

As a result, we are providing notice of the closure of the Brooks plant, located at 4755 Brooklake Rd. NE, Salem, Oregon 97302. For Regular employees we tentatively expect that your employment with NORPAC will be terminated effective January 12, 2020 or within fourteen (14) days thereafter. For Seasonal employees, your employment, like in years past, will be terminated once we finish up our processing season (which will be this Friday, November 15, 2019 as we wrap up cauliflower processing). While NORPAC will continue to seek additional financing and to have discussions with various companies about purchasing its facilities, there is no guarantee that this will happen. Therefore, pursuant to Federal law we are issuing you this Notice.

Additional information:

- 1. The above-referenced facility is considered a single site of employment for WARN purposes.
- 2. The plant closure is presently expected to be permanent.
- 3. The affected employees are both represented and non-represented; and none of the employees who are losing their jobs because of this plant closure has a right to claim a job occupied by another employee at another NORPAC facility (so called "bumping rights").
- 4. If you are on a leave of absence, it will continue on its normal terms until the earlier of your termination date or the time your current leave of absence ends. A leave of absence will not extend or delay an employee's termination date.
- 5. This notice is also not a promise that your employment will continue to the time set out above, or to any other time or date.

6. Information about outplacement assistance and other options is available through the State of Oregon Dislocated Workers Unit (800-282-6514) and WorkSource Oregon-Salem Center (503-378-4846)

We do thank you for your past service with NORPAC, and wish you the best in your future endeavors. If you have any questions about this Notice:

- For hourly employees please contact Sherri Dehut (Brooks Plant HR Manager) at 503-393-4233.
