Statement:

- This lay-off is temporary, and was unplanned. We responded to the Governor's order to Stay Home, Stay Safe by allowing our staff to self-isolate effective immediately for 2 weeks to help flatten the curve of the crisis. We expect to begin bringing workers back beginning 4/13/2020 dependent upon the status of the COVID-19 crisis, and subsequent federal, state and local direction. All manufacturing operations are suspended. Some administrative work is being done off-site utilizing tele-commute technology, and some administrative work is continuing at the office as required for business continuity.

Job titles & positions affected:

- Production staff: 95
- Management: 6
- Administrative/Office: 16

We have only 1 active location.

We are not a union employer.
