Re: Worker Adjustment and Retraining Notification Act Notice
Reduction in Force
Valley River Inn

To Whom it May Concern:

As required by the Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2102, this letter will serve as your notification that Aimbridge Employee Service Corp. plans to conduct a mass layoff at its Valley River Inn location (the "Inn") located at 1000 Valley River Way, Eugene, OR 97401, effective June 29, 2023. We were unable to provide more notice of this action because these circumstances were not reasonably foreseeable until mid-May following a fire at the Inn's primary building and a determination that the secondary building could not operate without the guest functions of the operations being closed down in the main building due to the fire and required re-construction. In light of these circumstances, we need to implement a reduction in our operations while we re-build. We are providing as much notice as is practicable under the circumstances and given the unexpected fire and how the information regarding the reconstruction has developed.

The layoff is expected to be permanent. The affected employees will not have bumping rights. The affected employees are not represented by a union.

The job titles of affected positions and the number of affected employees in each position are as follows:

Banquets Server	6
Banquets Supervisor	1
Bartender	1

Busser	2
Cashier	2
Catering Coordinator	1
