Subject: WARN Notice of Production and Maintenance Plant Closing and Permanent
 Discontinuance of All Production and Maintenance Operations

Dear Office of Workforce Investments:

This letter is to notify you, under the Worker Adjustment and Retraining Notification Act of 1988 (WARN), that Wayne Dalton, Overhead Door Corporation, has decided to permanently discontinue all production and maintenance operations and permanently close the production and maintenance plant, located at 5511 S. E. 26th Street, Portland, OR 97202, and terminate all 29 production and maintenance employees at this plant as well as 20 production supervision and support staff.

The Company will permanently discontinue production and maintenance operations and permanently close the production and maintenance plant no later than January 7, 2025, at which time the affected employees' employment will terminate. The enclosed document identifies the job titles of the terminated employees and the number of terminated employees in each job title.

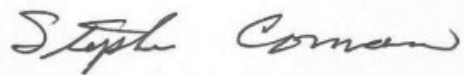

The terminations, which will include both union-represented and non-represented employees, will be permanent. The Teamsters Local 305 represents the union employees. The name and address of the chief elected officer of the union is:

Mr. Robert Hughes
Union Representative
Teamsters Local 305
870 NE 162nd Ave
Portland, OR 97230
503-251-2305
