2111 NE 25th Ave., Hillsboro, OR 97124

Job Title	Employee Count
AI Algorithm Engineer	2
AI Applied Research Scientist	2
AI Frameworks Engineer	2
AI Research Engineer/Scientist	3
AI Software Development Engineer	2
AI Software Solutions Engineer	4
Analog Circuit Design Engineer	2
Analog Circuit Design Engineering Manager	1
Analog Layout Design Engineer	4
Analog Product Development Engineer	3
Business Operations Manager	2
Business Project/Program Manager	5
Business Strategist	1
Cloud Orchestration Software Engineer	5
Cloud Software Architect	7
Cloud Software Development Engineer	21
Cloud Software Engineering Manager	13
Cloud Systems and Solutions Engineer	1
Cloud Systems Architect	1
Component Debug Engineer	1
Content Strategist	1
Corporate Security Emergency Management Specialist	1
Data Science Manager	1
Data Scientist	3
Development Tools Software Architect	1
Development Tools Software Engineer	15
Development Tools Software Engineering Manager	2
Device Driver Engineer	1
DFT Design Engineer	1
Driver Engineering Manager	2
Driver Validation Engineer	7
EDA Tools Hardware Engineer	5
EDA Tools Software Engineer	1
Electrical Validation Engineer	1
Engineering Project/Program Management Analyst	1
Engineering Project/Program Manager	18
Executive Assistant	5
Firmware Engineering Manager	2
Formal Verification Engineer	1
Government Affairs Manager	1
Government Affairs Specialist	3
GPU Software Development Engineer	5
Hardware Product Manager	1

Hardware Research Engineer/Scientist	2
Hardware Technical Marketing Engineer	2
Infrastructure and DevOps Architect	1
Infrastructure and DevOps Engineer	6
IP Design Verification Engineer	5
IP Enablement Engineer	1
IP Logic Design Engineer	3
IT Support Specialist	1
Lab Engineering Manager	1
Lab Engineering Technician	6
Manager, Technology Project/Program Management	2
Marketing Manager	1
Mask Layout Designer	1
Math Algorithm Engineer	6
Mechanical Design Engineer	2
Memory Electrical Validation Engineer	2
Memory Functional Validation Engineer	1
Memory Systems Firmware Development Engineer	1
Middleware Architect	1
Middleware Development Engineer	2
Middleware Engineering Manager	1
Mixed Signal Design Verification Engineer	1
Offensive Security Research Engineer/Scientist	1
OS Development Engineer	1
OS Engineering Manager	1
OS Kernel Engineer	2
PCB Layout Engineer	3
PCB Librarian	1
PCB Library Engineering Technician	1
Physical Design Engineer	5
Physical Design Methodology Engineer	1
Platform Hardware Design Engineer	7
Platform Hardware Design Engineering Manager	2
Platform Hardware Manufacturing Engineer	1
Platform Quality and Reliability Engineer	2
Platform Validation Engineer	1
Power and Performance Design Engineer	1
Power Integrity Engineer	1
Principal Engineer, AI Applied Research	1
Principal Engineer, AI Frameworks Architecture	1
Principal Engineer, Analog Platform Arch	1
Principal Engineer, Cloud SW Architecture	1
Principal Engineer, Data Center Engineering	1
Principal Engineer, Driver Architecture	1
Principal Engineer, Electrical Validation	1
Principal Engineer, OS Architecture	1
Principal Engineer, OS Kernel Development	1

Principal Engineer, Platform Architecture	2
Principal Engineer, Product Q&R	1
Principal Engineer, RF Design	1
Principal Engineer, Social Science Research	1
Principal Engineer, Systems Research	2
Product Development Architect	1
Product Development Engineer	19
Product Development Engineering Manager	1
Product Development Test Technician	13
Product Marketing Analyst	1
Product Marketing Engineer	1
Product Quality and Reliability Engineer	6
Product Validation Engineer	1
RF Design Engineer	4
Security Research Engineer/Scientist	6
Security Research Engineering Manager	2
Signal Integrity Engineer	3
Silicon Domain Architect	2
Silicon Firmware Development Engineer	4
Silicon Validation Engineering Manager	1
SoC Design Verification Engineer	2
SoC Functional Validation Engineer	2
SoC Logic Design Engineer	1
Software Application Architect	1
Software Application Development Engineer	3
Software Build and Release Engineer	2
Software Enabling and Optimization Architect	1
Software Enabling and Optimization Engineer	7
Software Engineering Manager	11
Software Product Manager	1
Software QA Test Engineer	1
Software Research Engineering Manager	1
Software Technical Consulting Engineer	3
Software Technical Marketing Engineer	1
Software Technical Writer (US only)	2
Software Tools Ecosystem Specialist	2
Sr. Principal Engineer, Circuits Research	1
Sr. Principal Engineer, Cloud SW Architecture	2
Sr. Principal Engineer, Cloud Systems Architecture	1
Sr. Principal Engineer, Platform Architecture	1
Sr. Principal Engineer, Security Research	1
Sr. Principal Engineer, Systems Research	1
Sr. Principal Engineer, User Experience Arch	1
Strategic Business Development Manager	1
System and Software Optimization Engineer	10
System Debug Software Engineer	3
System Software Architect	1

System Software Development Engineer	9
System Software Quality Engineer	8
System Software Validation Engineer	3
Systems and Hardware Enabling Engineer	1
Systems and Hardware Enabling Engineering Manager	1
Systems and Solutions Engineer	2
Systems and Solutions Engineering Manager	2
Systems and Solutions Methodology Engineer	2
Systems Architect	3
Systems Research Engineer/Scientist	3
Technical Assistant/Chief of Staff, Technical	1
Technology Project/Program Manager	10
Technology Strategist	2
User Experience Architect	7
User Experience Designer	1
User Experience Researcher	2
VP, Product Line General Manager	1
VP, Product Security	1
VP, Software Engineering	1
VP, Strategy	1
VP, Technology Research and Development	2
VP, Technology Strategy	1
Grand Total	**450**

WARN #9293

3585 SW 198th Ave., Aloha, OR

Job Title	Employee Count
Module Equipment Technician	1
Product Development Engineer	4
Product Development Engineering Manager	1
Product Development Test Technician	2
Grand Total	**8**

2501 NE Century Blvd, Hillsboro, OR 97124

Job Title	Employee Count
AI Frameworks Engineer	6
AI Software Architect	1
AI Software Engineering Manager	1
AI Software Solutions Engineer	2
Analog Circuit Design Engineer	1
Cloud Application Development Engineer	1
Cloud Software Engineering Manager	1
Corporate Security Operations Specialist	1
Corporate Security Systems Specialist	1
EDA Tools Software Engineer	1
Engineering Project/Program Manager	1
Facilities Water/Waste Treatment Engineer	1
Machine Learning Engineer	1
Module Equipment Technician	1
Process Integration Development Engineer	1
Software Research Engineer/Scientist	1
Sr. Principal Engineer, AI Software Architecture	1
Sr. Principal Engineer, AI Systems and Solutions	1
System Software Architect	1
System Software Development Engineer	1
Systems and Hardware Enabling Engineer	1
Systems Integration Validation Engineer	1
Grand Total	**28**

5200 NE Elam Young Pkwy., Hillsboro, OR 97124

Job Title	Employee Count
AI Software Development Engineer	1
Business Project/Program Manager	1
Corporate Security Investigations Specialist	3
Development Tools Software Engineer	3
Engineering Project/Program Manager	4
Executive Assistant	1
Firmware Validation Engineer	1
Infrastructure and DevOps Engineer	1
Lab Operations Manager	1
Marketing Specialist	1
Mechanical Design Engineer	1
OS Development Engineer	1
Platform Quality and Reliability Engineer	1
Product Development Test Technician	2
Product Failure Analysis Technician	1
Silicon Firmware Development Engineer	3
Software Application Development Engineer	1
Software Engineering Manager	5
System Software Architect	1
System Software Development Engineer	2
System Software Quality Engineer	2
System Software Validation Engineer	4
Systems and Solutions Engineer	1
Technology Project/Program Manager	1
Grand Total	**43**
