Re: Conditional Notice of Potential Plant Closing Under the WARN Act – Morrison [legal entity name]

Dear Mr. Welter:

Morrison Child & Family Services ("Morrison") provides this conditional notice under 29 U.S.C. § 2102 and 29 C.F.R. § 639.7(a)(3). This notice is provided consistent with the conditional notice provisions of 29 C.F.R. § 639.7(e).

Morrison operates two programs funded by the Office of Refugee Resettlement (ORR) with pending applications: Home Study & Post Release Services (HS/PRS), five-year renewal pending [Grant No. 90ZU0625]; and Long Term Group Home (LTGH), ten-month extension pending [Grant No. 90ZU0616].

The action described in this notice is conditional on ORR's non-renewal or non-extension of the applicable grants. If a grant is not renewed or extended, the affected program will close in its entirety. As of the date of this notice, Morrison has not received a funding decision. Morrison will promptly notify you if the action is rescinded or if the anticipated date changes.

Name and address of employment site(s):

HS/PRS — Morrison Home Study & Post Release Services 9911 SE Mt. Scott Blvd, Portland Oregon 97266

LTGH — Morrison Long-Term Group Home 9911 SE Mt. Scott Blvd, Portland Oregon 97266

For each program whose grant is not renewed, there will be a closure of the program, constituting a site closing and closure of an operating unit. The closure is expected to be permanent and not temporary.

All layoffs will occur on December 31, 2026, for all affected employees in each program. No affected employees are represented by a union, and employees do not have bumping rights. Potentially impacted employees have been notified individually by written notice dated October 30, 2026.
